OBJECTS OF KIWANIS

TO GIVE primacy to the human and spiritual, rather than material values of life.

TO ENCOURAGE the daily living of the Golden Rule in all human relationships.

TO PROMOTE the adoption and the application of social, business and professional standards.

TO DEVELOP by precept and example a more intelligent, aggressive and serviceable citizenship.

TO PROVIDE through Kiwanis Clubs a practical means to form enduring friendships, to render altruistic service and to build better communities.

TO COOPERATE in creating and maintaining sound public opinion and high idealism which makes possible the increase in righteousness, justice, patriotism and good will.

President's Message

Bingo!

Last Friday, several of us had a GREAT time playing online Bingo with Inderkum Key Club. Next time we do a joint event like that, I hope more of you will consider joining the fun. The teens ran the event smoothly, and the only thing that 'us grownups' had to do was play! We haven't tallied the funds yet - proceeds will benefit CAFFE (Clothing And Food For Everyone). <https://www.caffesacramento.com/>

Gratitude

I'm sharing a Gratitude Calendar for November with this TWIK. Spending even a few minutes a day thinking about what you're grateful for can be soooo therapeutic. Yesterday, I visited with a friend who recently had a mastectomy and is struggling through the healthcare system. As we talked, I remembered going through my cancer experience 15 years ago. Later in the afternoon, I was overwhelmed with gratitude that presently I am cancer-free. It really put everything in perspective...

Thanksgiving Service?

Does anyone have a service project idea for Thanksgiving? It doesn't need to be big. If you do, please bring your idea to this week's meeting. (Side note: Armando, what could we do this month, in particular, to help CAFFE?)

What's 'the main thing'?

I'd like to ask you a question. What is the main reason that you are a Kiwanian? Let's talk about it in this week's meeting. I want to make sure that Kiwanis Club of Greater Sacramento is meeting our members' needs!

In closing, try not to let the Election stress you out too much. The world will keep on turning. Life will go on. We will continue to look for ways to make things a little better for others...

Yours in Service,
Lee
