PROPOSED NEW MEETING SCHEDULE -

Following is the proposed, new meeting schedule that our Club is considering:

- 1st Thursday - Board evening meeting, via Zoom
- 2nd Thursday - Regular club evening meeting, at Black Bear Diner
- 3rd Thursday - DCM (Division Council Meeting) evening meeting, via Zoom (this may change back to in-person meetings in the near future)
- 4th Thursday - Regular club morning meeting, at Black Bear Diner
- 5th Thursday (there are only 4 of these a year) - To be determined

Once we have finalized the schedule, we will publish it on Facebook and our website, for easy reference going forward.

For those of you who have not been involved in the discussions about the meeting schedule, the goals in reducing the number of regular membership meetings include the following:

- Reduce 'meeting fatigue,' for Board members and Committee leaders
- Move in the same direction as many other Kiwanis clubs, spending less time in meetings and more time in social and service activities
- Make it easier to attract new members, especially those who work and have young families

Please feel free to share your thoughts about this in whatever format you're most comfortable with. Your feedback is welcome!

TWIK NEWS - I will be stepping away from the TWIK the last week of July. If anyone is interested in continuing the TWIK please let Lee Folino or myself (John Draper) know.

MEALS ON WHEELS - Currently every three weeks
(Coordinator Rob Gold)

OBJECTS OF KIWANIS

TO GIVE primacy to the human and spiritual, rather than material values of life.

TO ENCOURAGE the daily living of the Golden Rule in all human relationships.

TO PROMOTE the adoption and the application of social, business and professional standards.

TO DEVELOP by precept and example a more intelligent, aggressive and serviceable citizenship.

TO PROVIDE through Kiwanis Clubs a practical means to form enduring friendships, to render altruistic service and to build better communities.

TO COOPERATE in creating and maintaining sound public opinion and high idealism which makes possible the increase in righteousness, justice, patriotism and good will.

President's Message

Happy July to all of you! What - July is three-quarters over already? How can that be... LOL!

It has been GREAT to hold meetings in person, again! If you have not yet attended one of our meetings at Black Bear Diner on Arden Way, please join us this Thursday at 7:30am for a yummy breakfast, fellowship and inspiration, and an interesting program by member John Perryman about "Teaching Controversial History Theories in the Public School System." (If you have an idea for a future program, please let Bill Fuller know...)

The annual Cal-Nev-Ha District Convention is coming up in August and we already paid for a full Club registration, which covers all of you who would like to attend (normally \$200 each). Please consider joining me, Cecilia, David Arnold and David Canady for the convention in San Diego, August 19-21 at the beautiful Sheraton San Diego Hotel & Marina. You will meet some wonderful people and get fresh inspiration to boost our Club's ability to serve those who need us.

Ready for our online, silent auction? The website is ready and will be published as soon as our Facebook event page is ready. We have lots of great items to bid on and the auction will run for about two weeks. Give your friends and family a heads-up that this is coming soon and spread the word by sharing the website link as soon as it is published. This fundraiser will help us continue to provide support in the coming year to Kiwanis Family House, CAFFE (Clothing And Food For Everyone), our youth Service Leadership Program activities, and more!!

Yours in Service,

Lee
